

RESOLUTION

The Lower Niobrara Natural Resources District is in charge of protecting the water resources within their District.

Therefore be it resolved, the Lower Niobrara Natural Resources District is opposed to the construction and operation of the Trans Canada Keystone XL Crude Oil Pipeline within the District.

The LNNRD is opposed to trenching through the Ogallala and High Plains Aquifer, the Keya Paha and Niobrara Rivers, streams, creeks, wet draws, springs, wetlands, marshes and wildlife habitat of the District.

This resolution was adopted by a unanimous vote at the September 13, 2010 meeting of the Lower Niobrara NRD Board of Directors.
